

DIFFERENT WAYS TO WEAR A MASK!

① "One eye - Protector" or: "The Pirate",
Useful to cover a blue eye.
NOT USEFUL AGAINST THE CORONA VIRUS

② "Two-Eyes-Protector" in case "you don't want to watch what's going on."
Useful for bad TV-Programs
NOT USEFUL AGAINST THE CORONA VIRUS

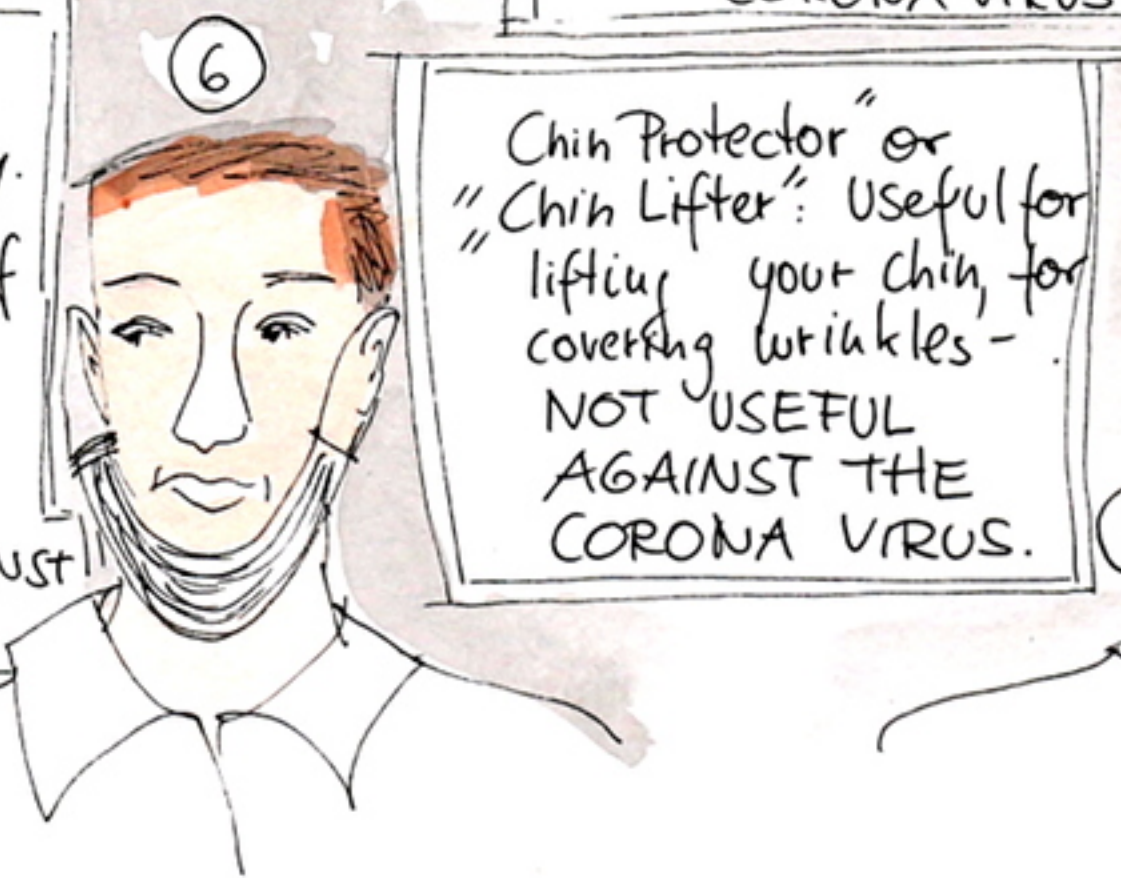

③ "Mouth Covering" or: "The LASCHET"
It is useful if you want to remind yourself to keep your mouth shut.
NOT USEFUL AGAINST THE CORONA VIRUS

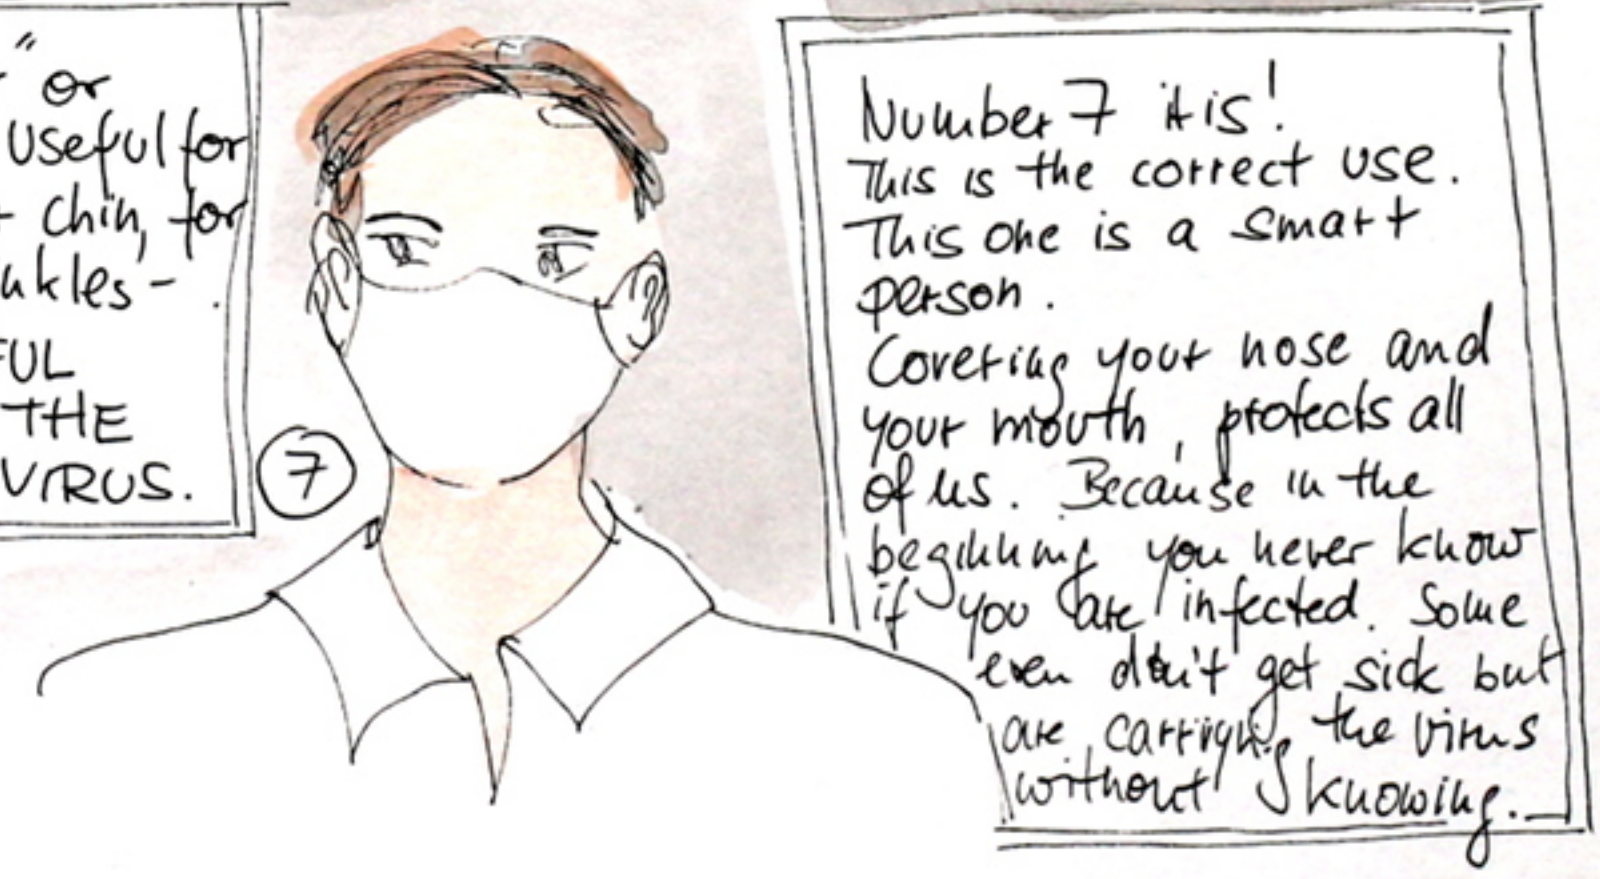

④ "Forehead Covering"
Useful to keep your forehead dry during hot temperatures
NOT USEFUL AGAINST THE CORONA VIRUS.

⑤ "Ear-Mask" (or Error-Mask).
"Just a fashionable accessory. It is a statement."
For those who aren't sure, if it is really necessary, you can very quickly either remove it or put it on correctly.
BUT NOT USEFUL AGAINST THE CORONA VIRUS.

⑥ "Chin Protector" or "Chin Lifter": Useful for lifting your chin, for covering wrinkles -
NOT USEFUL AGAINST THE CORONA VIRUS.

⑦ Number 7 it is!
This is the correct use. This one is a smart person.
Covering your nose and your mouth, protects all of us. Because in the beginning you never know if you are infected. Some even don't get sick but are carrying the virus without knowing.
